Fall Edition

“Parents Reaching Parents”

Dear JBM partners and friends,

During my years of ministry, I have developed a special place in my heart for parents with children involved in the gay lifestyle. I have witnessed their pain first-hand and am truly touched by the challenges they experience. And yet, having never been a parent, I simply cannot relate to them in the same manner in which another parent can.

That is why Janet Boynes Ministries is pleased to launch our new blog, **Parents Reaching Parents**, to assist parents in finding support from other parents in the midst of this journey. May this blog be a blessing to you.

“Called Out” Testimony

For 10 years, I was the good wife. I was dedicated to my husband's success, ordained into ministry, and a devoted mother to two beautiful children. And then one day it all changed when I became involved in an adulterous affair with another woman.

It was my first homosexual relationship, but it would not be my last. I found myself caught in a web of deceit – my spirit man was fighting to save my soul and family and warred with my flesh's desires to satisfy these new longings. As my flesh was winning that fight – I came across a book – “Called Out”.

Thanks to the wisdom my husband and I have gained from this book and the personal ministry of Janet Boynes – my family has been able to remain intact as I continue to be called out into God's divine plan for my life. I am one of the many lives that has been changed by your prayers and financial support of Janet Boynes Ministries. On behalf of my family – Thank You!
