Watch for Janet's upcoming book: *Called Out*.

"Janet's life is a powerful testimony of the changes that Christ can bring through His healing power from the bondage of sin. To see Janet is to see the face of joy, freedom, and peace. I wish everyone could meet this dynamic, young, Christ-filled woman who has dedicated her life to spreading the joy that she has found in a deep relationship of forgiveness from the Father. I hope everyone listens closely to Janet's compelling testimony."

**Senator Michele Bachmann**

"Janet Boynes was a blessing to have as a guest on our TV program. This beautiful, humble woman of God had the faith and courage to share the story of how her life was dramatically changed after living a lesbian lifestyle for 14 years. Janet's story brings hope to anyone who has suffered from destructive influences in life. She shows how a person can be transformed by giving their pain and anguish over to God as she explains how she cried out to God and said, 'Go ahead God, do what you need to do in my life.'"

"I highly recommend Janet Boynes and her powerful message that people can change and leave homosexuality. Her life is a powerful testimony to this fact. Janet is articulate, enthusiastic, caring, open, and engaging. She's comfortable with herself and simply wants to share with others the hope and transformation she's found. She's great."
